

HTN

```
graph LR; A[HTN] --> B[Failed Auto regulation]; B --> C[Hyper perfusion Injury];
```

The diagram is a horizontal flowchart with three rectangular boxes connected by arrows. The first box on the left contains the text 'HTN'. An arrow points from this box to a second box in the middle containing the text 'Failed Auto regulation'. A second arrow points from the middle box to a third box on the right containing the text 'Hyper perfusion' on the top line and 'Injury' on the bottom line. All boxes have an orange border and white background.

Failed Auto regulation

Hyper perfusion
Injury
