

Choosing a site

Patient
oppositional
or in
severely
physically
/mentally ill

**Engagement
in treatment**

From partial
recognition to
full
acknowledgem
ent of
ED as a foe

**Treatment
delivery**

From
acknowledgment
to clear stance
against ED

**Rehabilitation
phase**

Against the
"sick" role

**Re-authoring
life**

Regaining
self-agency

**Recovery
and
maintenance**

Engagement-----→Delivery -----→ Stabilization--→Completion
