A Case-Control Pilot Study of Stress Fracture in Adolescent Girls:

**Article Title (first few words)**

**First Author:** Rachel L. Duckham  
**E-mail:** r.duckham@deakin.edu.au

After submission of this agreement signed by all authors, changes of authorship or in the order of the authors listed will not be accepted by Springer.

**AUTHORSHIP**
I, the undersigned author(s), certify that:
- I have seen and approved the final version of the manuscript, and all subsequent versions.
- I have made substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;
- I have drafted the article or revised it critically for important intellectual content.

I accept public responsibility for it, and believe it represents valid work. As an author of this article, I also certify that none of the material in the manuscript has been previously published, nor is it included in any other manuscript. I certify that this manuscript is not under consideration for publication elsewhere, nor has it been submitted or accepted in another publication in any form. The rights or interest in the manuscript have not been assigned to any third party.

Moreover, should the editor of Osteoporosis International request the data upon which the manuscript is based, I shall produce it. I also certify that I have read and complied with the copyright information, as found on the Osteoporosis International home page website.

**FINANCIAL DISCLOSURE/CONFLICT OF INTEREST**
I certify that any financial interests such as employment, stock ownership, honoraria, paid expert testimony, as well as any personal relationships, academic competition, and intellectual passion which may inappropriately influence my actions, have been disclosed on a separate attachment.

All funding sources supporting the work and all institutional or corporate affiliations of mine are acknowledged in a footnote.

I have had full access to all the data in the study (if applicable) and thereby accept full responsibility for the integrity of the data and the accuracy of the data analysis.

By checking the box next to my signature I assert that there are no conflicts of interest (both personal and institutional) regarding specific financial interests that are relevant to the work conducted or reported in this manuscript.

**PLEASE NOTE**
1. Every author must sign the Authorship & Disclosure form.  
2. It is possible to submit more than one form if the authors are in several locations.  
3. All forms must be submitted at the same time.  
4. Completed forms must be scanned and included as a pdf file during the online submission process as a supplemental file not for review.
