1. Brain endothelial cells

2. Endothelial cells in choroid plexus

3. CVOs

4. Meningeal endothelial cells

5. Olfactory route
   5a. Nasal cavity → Brain
   5b. Dendrites → Axons → Olfactory Bulb
   5c. Supporting cells

Haematogenous route

Brain parenchyma
Piamater
Ependyma
CSF
Ventricle
Choroid plexus
Meninges
