A

All genes

Common significant genes

Illumina only genes

Affymetrix RMA only genes

Nonsignificant genes

B

Affymetrix RMA and Illumina genes

significant in both Affymetrix RMA and Illumina

significant in Illumina only

significant in Affymetrix RMA only
	nonsignificant genes

C

Affymetrix RMA and Illumina genes

significant in both Affymetrix RMA and Illumina

significant in Illumina only

significant in Affymetrix RMA only
	nonsignificant genes
