WOP: Half-binomial

Venn diagram with three sets:
- Set A: rOP(5) with 239 elements
- Set B: rOP(7) with 251 elements
- Set C: Both A and B with 0 elements
- Set A only: 57 elements
- Set B only: 97 elements
- Set C only: 269 elements

The total number of elements is 239 + 251 - 0 = 490.
