UnaL2 LINE 3’ element

Comparison of the NMR derived reference Rfam structure of the UnaL2 LINE 3’ element and predicted structures. Using the original hamming distance covariance scoring of RNAalifold, the stem is not correctly predicted.
Reference Structure of UnaL2 LINE 3' element

Reference Alignment of UnaL2 LINE 3' element

Structure using RIBOSUM

RNAalifold

Alignment of UnaL2 LINE 3' element, RIBOSUM structure
