Alignment of the DNA sequences from the *timeless* gene fragment from Florianópolis and Itaiaia.
Alignment of the DNA sequences from the *Clock* gene fragment from Florianópolis and Itatiaia.
Alignment of the DNA sequences from the \textit{cycle} gene fragment from Florianópolis and Itaiaia.
Alignment of the DNA sequences from the *Rp49* gene fragment from Florianópolis and Itatiaia.
Alignment of the DNA sequences from the \(RpS2\) gene fragment from Florianópolis and Itatiaia.
Alignment of the DNA sequences from the \textit{RpS29} gene fragment from Florianópolis and Itatiaia.
