(a) Number of miRNAs vs. Threshold Level
(b) Number of miRNAs vs. Threshold Level
(c) Number of miRNAs vs. Threshold Level
(d) Number of miRNAs vs. Threshold Level

- **P-value < 0.001**
- **P-value < 0.005**
- **P-value < 0.01**
- **P-value < 0.05**

Graphs show the relationship between the number of miRNAs and the threshold level, with different lines representing different significance levels.
