Frequency of events in 100Kb intervals (log)

Position along pseudochromosome 1 (base pairs)

Gene Expression
T-DNA integration
Recombination frequency

Additional file 1.
Frequency of events in 100Kb intervals (log)

Gene Expression
T-DNA integration
Recombination frequency

Position along pseudochromosome 2 (base pairs)
Frequency of events in 100Kb intervals (log)

Position along pseudochromosome 3 (base pairs)

Gene Expression
T-DNA integration
Recombination frequency
Frequency of events in 100Kb intervals (log)

Position along pseudochromosome 4

Gene Expression
T-DNA integration
Recombination frequency
Frequency of events in 100Kb intervals (log)

Position along pseudochromosome 5 (base pairs)

Gene Expression
T-DNA integration
Recombination frequency
