Assessed for eligibility (n=148; 74 T* and 74 R**)

Excluded (X= X₁ + X₂)
- Declined to participate (X₁)
- Other reasons (X₂)

Randomized (n₁ = (148 - X); n₁/2 T and n₁/2 R in pairs)

Allocated to intervention (n = )
- SOPS, first wave (n = )
- Received specific training on patient safety (n = )
- Adverse events recording (n = )

Did not receive allocated intervention (give reasons) (n = )

Allocated to control (n = )
- SOPS, first wave (n = )

Did not receive allocated intervention (give reasons) (n = )

SOPS, second wave (n = )

Lost to follow-up (give reasons) (n = )

Analysed (n = )
- Excluded from analysis (give reasons) (n = )

SOPS, second wave (n = )

Lost to follow-up (give reasons) (n = )

Analysed (n = )
- Excluded from analysis (give reasons) (n = )
