Participants undergo baseline test enrolment visit, questionnaire, HPV DNA test HR* and LR§

- HPV HR and LR test positive
  - HPV LR test positive
    - HPV HR test positive
      - Recall to repeat test HPV and questionnaire after 6 months
    - HPV LR test negative
      - Recall to repeat test HPV and questionnaire after 12 months
  - HPV HR test negative
    - HPV LR test positive
      - HPV HR test positive
        - Recall to repeat test HPV test and questionnaire after 12 months
      - HPV LR test negative
        - HPV HR test positive
          - Recall to repeat test HPV and questionnaire after 12 months
          - HPV LR test positive
            - HPV HR test positive
              - HPV LR test negative
                - HPV HR test positive
                  - Recall to repeat test HPV test and questionnaire after 6 months
              - HPV LR test positive
                - HPV HR test positive
                  - HPV LR test negative
                    - HPV HR test positive
                      - Recall to repeat test HPV and questionnaire after 12 months
                      - HPV LR test positive
                        - HPV HR test positive
                          - HPV LR test negative
                            - HPV HR test positive
                              - Recall to repeat test HPV and questionnaire after 6 months
                              - HPV LR test positive
                                - HPV HR test positive
                                  - HPV LR test negative
                                    - HPV HR test positive
                                      - Recall to repeat test HPV and questionnaire after 12 months
                                      - HPV LR test positive
                                        - HPV HR test positive
                                          - HPV LR test negative
                                            - HPV HR test positive
                                              - Recall to repeat test HPV and questionnaire after 6 months
                                              - HPV LR test positive
                                                - HPV HR test positive
                                                  - HPV LR test negative
                                                    - HPV HR test positive
                                                      - Recall to repeat test HPV and questionnaire after 12 months
                                                      - HPV LR test positive
                                                        - HPV HR test positive
                                                          - HPV LR test negative
                                                            - HPV HR test positive
                                                              - Recall to repeat test HPV and questionnaire after 6 months
                                                              - HPV LR test positive
                                                                - HPV HR test positive
                                                                  - HPV LR test negative
                                                                    - HPV HR test positive
                                                                      - Recall to repeat test HPV and questionnaire after 12 months
                                                                      - HPV LR test positive
                                                                        - HPV HR test positive
                                                                          - HPV LR test negative
                                                                            - HPV HR test positive
                                                                              - Recall to repeat test HPV and questionnaire after 12 months
                                                                              - HPV LR test positive
                                                                                - HPV HR test positive
                                                                                  - HPV LR test negative
                                                                                      - HPV HR test positive
                                                                                         - Recall to repeat test HPV and questionnaire after 12 months
                                                                                         - HPV LR test positive
                                                                                           - HPV HR test positive
                                                                                               - HPV LR test negative
                                                                                                  - HPV HR test positive
                                                                                                     - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                     - HPV LR test positive
                                                                                                        - HPV HR test positive
                                                                                                            - HPV LR test negative
                                                                                                                - HPV HR test positive
                                                                                                                    - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                    - HPV LR test positive
                                                                                                                        - HPV HR test positive
                                                                                                                            - HPV LR test negative
                                                                                                                                - HPV HR test positive
                                                                                                                                 - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                                 - HPV LR test positive
                                                                                                                        - HPV HR test positive
                                                                                                                            - HPV LR test negative
                                                                                                                                 - HPV HR test positive
                                                                                                                                                 - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                                                 - HPV LR test positive
                                                                                                                                                   - HPV HR test positive
                                                                                                                                                      - HPV LR test negative
                                                                                                                                                        - HPV HR test positive
                                                                                                                                                            - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                                                            - HPV LR test positive
                                                                                                                                                    - HPV HR test positive
                                                                                                                                                                                   - HPV LR test negative
                                                                                                                                                                                      - HPV HR test positive
                                                                                                                                                                                              - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                                                                                              - HPV LR test positive
                                                                                                                                                                                                  - HPV HR test positive
                                                                                                                                                                                                 - HPV LR test negative
                                                                                                                                                                                                     - HPV HR test positive
                                                                                                                                                                                                            - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                                                                                                            - HPV LR test positive
                                                                                                                                                                                                                                                                  - HPV HR test positive
                                                                                                                                                                                                                                                                            - HPV LR test negative
                                                                                                                                                                                                                                                                                - HPV HR test positive
                                                                                                                                                                                                                                                                                    - Recall to repeat test HPV and questionnaire after 12 months
                                                                                                                                                                                                                                                                                    - HPV LR test positive
