Proportion of patients without confirmed relapse (%) vs. Time to first relapse (days). The graph shows three different treatment groups:

- **Fingolimod 1.25 mg**
- **Fingolimod 0.5 mg**
- **Placebo–fingolimod 1.25 mg**
- **Placebo–fingolimod 0.5 mg**

The time to first relapse is measured in days, ranging from 0 to 390.
