Calculate annual change in proportion of SBA births*

Proportion of SBA births for each year available over the period 1990-2008

Proportion of SBA births by rural/urban split for most recent year available

Project most recent proportion of rural/urban SBA births through to 2015

Projected births over period 2011-2015

Rural/urban split in births

Projected change in % of population in rural/urban area

Project most recent number of births in rural/urban areas through to 2015

Estimate number of non-SBA births for each year in period 2011-2015

Total number of non-SBA births in period 2011-2015
