Figure 2

A. 

All patients P=0.009

\text{without bone scan} \quad \text{with bone scan}

Cum Survival

Bone recurrence-free survival (days)

B. 

Stage II+III patients P=0.003

\text{without bone scan} \quad \text{with bone scan}

Cum Survival

Bone recurrence-free survival (days)

C. 

All patients P=0.158

\text{without bone scan} \quad \text{with bone scan}

Cum Survival

Overall survival (days)

D. 

Stage II+III patients P=0.037

\text{without bone scan} \quad \text{with bone scan}

Cum Survival

Overall survival (days)
