#### How do you feel?

Are you feeling stressed, depressed, miserable, numb, irritable, worried? "How do you feel" forum is a place to share how you are feeling, to receive support from other Wellbeing members and to lend a helping hand to others.

- Sub-Forums: [Week 4, Do they understand?](#), [Week 7, Causes and triggers](#), [Week 10, Effects of stress and feeling bad](#)

#### What helps, who helps?

Are there things that you have tried which make you feel better (less stressed, less depressed, less worried) or worse? Are there people who help (or make things worse)? The "What helps, who helps" forum is a place to share ideas about what to do and what to avoid so that you can feel better.

- Sub-Forums: [Week 3, Three Positives a day](#), [Week 5, Your views on antidepressants](#), [Week 6, Connecting with others](#), [Week 11, Psychological therapy](#), [Week 12, Alternative and lifestyle approaches](#)
