Has received HPV vaccine
Considering to be vaccinated
Require more information before decision
Will not consider/has never considered

Reasons for considering to be vaccinated
- All females should receive the vaccine
- I have the chance of developing cervical cancer
- Parents encourage me to take the vaccine
- The vaccine is effective
- Recommendation from doctors

Reasons for not considering to be vaccinated
- The cost for vaccination is too expensive
- I am in fear of the possible side effects
- I am still too young to think about it
- I do not have such a need
- I am in fear of injection
