## Performance objectives for temporary agency workers and unemployed workers, sick-listed due to MSD, to reduce long-term sickness absence and occupational disability

1. To learn the negative consequences of occupational disability and having long-term sickness benefit as temporary agency worker or unemployed worker with a musculoskeletal disorder
2. To learn about the benefit of therapeutic RTW
3. To learn about the importance of matching of a temporary adapted work(place) design with personal abilities to achieve early RTW
4. To be able to identify and prioritise (physical and mental workload) obstacles for early RTW
5. To be able to discuss/explain obstacles for a safe and early RTW with RTW-coordinator and labour expert of the SSA
6. To be able to identify & prioritise solutions for obstacles for an early RTW
7. To be able to discuss solutions (related to physical and mental workload) for early RTW with the RTW-coordinator and labour expert and achieving consensus regarding solutions for RTW
8. To discuss about RTW implementation plan with RTW-coordinator and labour expert
