Flow chart to show numbers of students participating in trial of different formats for teaching respiratory medicine

Number of students in final year of course
N = 319

Number volunteering to participate
N = 137

Allocated to interactive tutor-based teaching
N= 40
Completed study
N= 40
Included in analysis
N= 40

Allocated to didactic tutor-based teaching
N= 40
Completed study
N= 40
Included in analysis
N= 40

Allocated to computer-based teaching
N= 57
Completed study
N= 57
Included in analysis
N= 57

Number not volunteering to participate
N = 182
