“Have you ever read the provisions of the medical practitioners law and medical service law?”

- I have never read them.
- I have seldom read them.
- I have read some parts of them.
- I have read them.
- I have read them to the end.

“Have you ever read law cases of medical malpractice?”

- I do not read them at all.
- I seldom read them.
- I read them but could not understand them.
- I have read them.
- I often read.

Experience of reading, little

Interest, much

Do you have interest in the association between medical practice and law?

- No interest
  - Little interest
  - Can not say either
  - Some interest
  - Much interest

Do you have interest in law cases of medical malpractice?

- No interest
  - Little interest
  - Can not say either
  - Some interest
  - Experience of reading, little
