Drivers
- Financial unsustainability

1. Communicate
   - Notify a commissioner
   - Notify a local council
   - Notify staff members

2. Explore
   - Assess individual patient's needs and preferences

3. Generate
   - Agreement with patients and other service providers
   - Detailed closure plans (patients, staff, public, building, equipment, etc)
   - Plans for alternative services

4. Evaluate
   - Approval by a project team
   - Post-closure check by council
   - staff and public consultation
   - Patient relocation
   - Service closure

5. Implement
   - Approval by a project team
