The diagram illustrates the percentage of care providers and users regarding the provision of various elements. Here are the elements and their respective percentages for providers and users:

- **Dignity**: Providers 92%, Users 89%
- **Autonomy**: Providers 89%, Users 83%
- **Confidentiality**: Providers 97%, Users 93%
- **Prompt Attention**: Providers 83%, Users 71%
- **Quality of Basic Amenities**: Providers 84%, Users 69%
- **Choice of Care Providers**: Providers 62%, Users 60%

The diagram uses bars to represent the percentages, with different colors indicating providers (light) and users (dark).
