The graph shows the dynamics of Glycerol (g/L) concentration over time (hours) for various samples.

- **PtFPS2_XY2**
- **ScSTL1_XY6**
- **CENPK 113-5D**
- **PtFPS1_XY1**
- **PtSTL1_XY3**
- **PtSTL2_XY4**
- **ScFPS1_XY5**

The concentration of Glycerol decreases over time, with each sample showing a unique trend. The y-axis represents Glycerol concentration in g/L, while the x-axis represents time in hours.
