Figure 8.

[Graph showing data on child mortality rate and percent coverage.]

- % households with at least one ITN
- % children slept under ITN last night
- % pregnant women slept under ITN last night
- % pregnant women received 2+ doses IPTp
- % HH with an ITN or IRS

Percentage coverage vs. time from 2001 to 2010.

Child mortality rate (deaths per 1000 live births)
