A.

Graph showing the relationship between Tumor Volume (mm$^3$) and Time (week) for different treatments: Control, Curcumin, TRAIL, and Curcumin + TRAIL. The graph includes error bars indicating standard deviation.

B.

Images of TUNEL, PCNA, and Ki67 positive cells/field for the following conditions: Control, TRAIL, Curcumin, and Curcumin + TRAIL.

C.

Bar graph showing the TUNEL/PCNA/Ki67 positive cells/field for Control, TRAIL, Curcumin, and Curcumin + TRAIL, with error bars indicating standard deviation.
