**A**

Progression-free survival (probability) over time (days)

- 100 µg (n=13)
- 200 µg (n=12)

**B**

Overall survival (probability) over time (days)

- 100 µg (n=13)
- 200 µg (n=12)

**C**

Overall survival (probability) over time (days)

- Responders (n=12)
- Non-responders (n=13)

**D**

Overall survival (probability) over time (days)

- 100 µg (n=7)
- 200 µg (n=6)

**E**

Overall survival (probability) over time (days)

- > 30 mm (n=12)
- ≤ 30 mm (n=13)

**F**

Overall survival (probability) over time (days)

- 100 µg (n=8)
- 200 µg (n=4)
