M2-like macrophage polarization

- Monocyte recruitment and suppression

- Secretion of TGF Beta1
  - ILT2/4 secretion
  - ILT2/4 inhibition of maturation
  - ILT2/4 induction of tolerogenic APC

- HLA A-B-C
  - ILT2
  - ILT4

- HLA G
  - ILT2/4 secretion
  - ILT2/4 induction of Th2 cytokine profile

- MDSC
  - Expansion of MDSC population

- Macrophage
  - M2-like macrophage polarization
  - Turning down macrophage level of activation
  - Up-regulation of ILT2/4
