Figure 4

**A**

A bar chart showing the percentage of Annexin V positive cells for different antibody concentrations.

- clgG
- 339.1
- 13E9-20
- 517.2
- Staurosporine

**B**

A graph showing the percentage of Annexin V positive cells as a function of antibody concentration (µg/ml).

- 339.1
- clgG
