Patients receiving clopidogrel + ASA treatment (n=33)

Patients randomised to ASA treatment (n=17)
Patients lost to blood sampling (n=1)

Patients randomised to clopidogrel treatment (n=16)
Patients lost to blood sampling (n=2)

Patients completing the study (n=29)

Controls fulfilling inclusion criteria at visit 1 (n=29)
Controls lost to blood sampling (n=1)

Controls fulfilling inclusion criteria at visit 2 (n=29)

Patients randomised to ASA treatment (n=14)
Patients lost to blood sampling (n=1)

Patients randomised to clopidogrel treatment (n=16)

Controls completing the study (n=29)
