Figure 3

Diagram showing a process involving multiple PICUs (Patient Information Control Units) labeled as PICU 1, PICU 2, ..., PICU p, ..., PICU P. Each PICU has inputs and outputs denoted by y_{1,1}, y_{2,1}, ..., y_{p,1}, ..., y_{P,1} and corresponding outputs y_{1,2}, y_{2,2}, ..., y_{p,2}, ..., y_{P,2} with some connections between them.
