Sickness Behavior

- Acute pathogen/injury
  - Acute inflammation PICs
    - No resolution of inflammation
      - Negative energy balance
      - Reduced ATP and Mitochondrial functions
      - ME/CFS/CF

ME/cfs

- Multiple, less-well defined triggers
  - Chronic inflammation, O&NS, Th1/Th2, autoimmunity
    - Reduced ATP and Mitochondrial functions
    - ME/CFS/CF
