Option A

- Primary author of included publication contacted.
- Informed that we have their ethics application and this is allowable under the Official Information Act.
- Informed that we may contact them later with questions regarding missing information on outcomes identified in their ethics application.
- Given the opportunity to opt out.

Option B

- Primary author of included publication contacted.
- NOT informed that we have their ethics application.
- Only questions relating to their publication would be asked.

Option C

- Primary author of included publication NOT contacted.
