Thanks web page with Alcohol: The Basics hyperlink

A: STUDENT DRINKING SURVEY
The link below takes you to some information about alcohol.
Hyperlink: Alcohol: The Basics
We will contact you again by e-mail a month from now with a similar survey.

B: STUDENT DRINKING SURVEY
We are interested in whether brief alcohol education changes student drinking patterns. We have randomly assigned students to an intervention group that receives the education material or to a control group. You have been assigned to the control group. This means you do not receive the brief educational material. The link below takes you to some information about alcohol.
