Parents referred to IYP and offered place on a course facilitated by CAMHS, Ministry of Education or Non Government Organisations in Tauranga.

IYP group leader makes home visit to carry out pre-course assessment. Brief information on the trial is given to all IYP parents. Parents sign ‘permission to contact’ form should they meet criteria for the trial.

Eligible parents contacted by research assistant. Home visit arranged to provide detailed trial information. Collect signed consent.

Randomisation (1:1) With stratification by age, sex and Maori/Non Maori

**Enhanced IYP**
At least 50 parents of child with conduct problems attend IYP and have EIYP intervention

**Treatment as usual**
At least 50 parents of child with conduct problems attend IYP
