overall survival for radiotherapy

- % Survival
- time in months

Graph showing survival rates with radiotherapy or without radiotherapy, and censored cases.

- \( 1 - \text{censored} \)
- \( 0 - \text{censored} \)
- yes
- no

Graph includes:
- Radiotherapy: yes or no
- % Survival (% of patients surviving)
- time in months (range: 0 to 216,000)

Legend:
- Blue square: 0-censored
- Red square: 1-censored

Survival rate decreases with time for both groups but remains higher in the group without radiotherapy.
