Dose-Volumes relative to normal brain (% volume)

(a) Optic Chiasm: Dose max at 1%

(b) Brainstem: Dose max at 1%

(c) Dose-Volumes relative to normal brain (% volume)

- p > 0.088
- p < 0.001
- p > 0.326

- V18 (18 Gy)
- V36 (36 Gy)
- V50 (50 Gy)

Graphs showing dose distributions for different brain regions and dose levels under different treatment regimens.
