a. Fiducial 1 Fiducial 2
b. CBCT Align to bone & record couch shifts
   Align to fiducials & record couch shifts
   Difference in the shifts
   Bone-Marker difference
c. Apply CBCT fiducial shifts
d. AP kV
   KV orthogonal images
   Align to fiducials and record couch shifts necessary
   f. CBCT
      Align to bone & record couch shifts
      Difference in the shifts
      Bone-Marker difference
      Apply CBCT fiducial shifts
      KV orthogonal images
      Align to fiducials and record couch shifts necessary
