I'd feel ashamed if I had HIV/AIDS (n=890)
If, as a medical intern, I had to care for PLWHAs I would feel anxious (n=892)
I am concerned that working with PLWHAs may endanger my health (n=889)
If, as a medical intern, I had to care for PLWHAs I would feel reluctant (n=890)
Many health care workers in Israel are at a high risk of acquiring HIV at work (n=889)
I am concerned that in the future we will find out that HIV can be transmitted in ways now thought safe (n=900)
