The bar chart displays the number of taxa sampled in different states, with the number of genera and species shown for each state.

- Chiapas: n=1513, Genera: 14, Species: 54
- Guerrero: n=333, Genera: 11, Species: 38
- Oaxaca: n=495, Genera: 7, Species: 34
- Michoacán: n=463, Genera: 9, Species: 27
- Jalisco: n=387, Genera: 9, Species: 26
- Sinaloa: n=596, Genera: 7, Species: 21
- Colima: n=286, Genera: 8, Species: 19
- Nayarit: n=321, Genera: 7, Species: 17

The y-axis represents the number of taxa sampled, and the x-axis represents the states.
