Figure 3

A. Flow cytometry scatter plot showing the distribution of G+M, L, and media cells.

B. Histogram showing the number of migratory cells stained with αvβ3 isotype.

C. Histogram showing the number of migratory cells stained with CD44v6 isotype.

D. Bar chart showing the number of migratory cells (x1000) with media or OPN (10ug/ml) treatment.

Legend:
- Media
- OPN (10ug/ml)
