life history patterns
direct development (dd)

A

shifts in life history patterns
acceleration of metamorphosis

D

dehceleration of metamorphosis (e.g. neoteny)

E

paedomorphic (pd)

C

acceleration of maturation (e.g. progenesis)

F

Hatching (H)
Metamorphosis (Met)
Maturation (Mat)

egg (aquatic or terrestrial)
larva or paedomorph (aquatic)
metamorph (terrestrial)
