Step 1: Chiropractor fills in encounter form

Step 2: Researcher chooses most appropriate existing ICPC-2 PLUS term

Step 3: Term maps to an ICPC-2 rubric

Step 4: Term maps to an ICPC 2-PLUS (Chiro) Group for reporting

Worked Example

Back Pain

L02 003 - Pain; back

L02 - Back symptom/complaint (Musculoskeletal)

G101 – Spinal Problem

*ICPC: International Classification of Primary Care
