**Human**

(A) %CD25 on CD4+ T cells

![Graph showing %CD25 on CD4+ T cells for different conditions and age groups.]

(B) IL-2 in supernatant

![Bar graph showing IL-2 levels in supernatant for different conditions and age groups.]

**Mice**

(D) %CD25 on CD4+ T cells

![Graph showing %CD25 on CD4+ T cells for different conditions and age groups.]

(F) % IL-2 in CD4

![Graph showing % IL-2 in CD4 for different conditions and age groups.]

**Note:**
- NS indicates not significant.
- * indicates significant difference.
