Welcome to the H3ABioNet Help Desk user satisfaction survey!

Thank you for taking part in this important survey to measure user satisfaction for the H3ABioNet Bioinformatics Help Desk (http://www.h3abionet.org/support).

The H3ABioNet Bioinformatics Help Desk provides access to experts from a variety of domains to help answer any bioinformatics-related questions and provide support to various H3Africa and non-H3Africa projects that might be struggling with the analysis and planning of their experiments.

The following survey aims to evaluate the service provided by the Help Desk and identify features to be improved and should only take a few minutes. Please be assured that all responses will be anonymized.

By continuing with the survey you give your consent for the use of the anonymized data to be analysed and published.
