Bronchiolitis severity score by copy number of GG for Caucasian and African American individuals.

- Caucasian:
  - Copy number 0: n = 72, p = 0.561
  - Copy number 1: n = 131
  - Copy number 2: n = 39

- African American:
  - Copy number 0: n = 65
  - Copy number 1: n = 40
  - Copy number 2: n = 2

p-values indicate statistical significance for African American participants, with p = 0.148 for copy number 2.
