This is an overview of the topics we would like to cover with the representative from your organisation.

**Questions about the organisation and the interviewee:**

- How would your organisation be best described (i.e. is it a not-for-profit, for-profit, or a government organisation)?
- How many states does your organisation operate in?
- Does your organisation provide residential aged care services?
- Does your organisation provide community aged care services?
- Would you say that your organisation focuses on general aged care services or is the organisation more a speciality provider of dementia services?
- What does your role within the organisation involve?

**Terminology and roles:**

- Discuss terms such as ‘reablement’, ‘restorative care’, ‘functional ability’.
- Discuss the roles in your organisation that are involved in providing reablement-type services for people with mild to moderate dementia

**Provision of services that promote function for people with dementia:**

- Discuss any programs provided by your organisation that could be classed as ‘reabling’ for people with mild to moderate dementia

**Barriers and facilitators:**

- Discuss factors which may support or hinder the provision of ‘reablement-type’ services to people with mild to moderate dementia
