Dear Irina,

The authors must be referring to Supplementary Table 1.

Many thanks,
Irina

Importance: High

Dear Irina,

I hope you are doing well.

I am reaching out concerning the below article details.

- **Title:** Prognostic value of NT-proBNP in patients with severe COVID-19
- **Manuscript No.:** RERE-D-20-00206R1

The author, mentioned “Supplemental figure 1” on the manuscript, however, we have not received its corresponding efile. May we have your confirmation if this was indeed provided or otherwise.

Thank you.

P.S.
This article is about CoVid 19.

Warm regards,
Ailyn
