Improvements in ABI after Cell Therapy

- ABI increase compared to baseline
- Time (weeks after injection)

Graph showing improvements in ABI after cell therapy with different types of cells (Placebo, BMC, MSC) over time. Data points from studies by Gupta 2013, n = 10/9; Lu 2011, n = 41/21/21; Tateishi 2002, n = 25/25/20; Walter 2011, n = 15/10.
