

## **Reviewer's report**

**Title:** What are the roles involved in establishing and maintaining informational continuity of care within family practice? A systematic review

**Version: 2 Date:** 23 September 2008

**Reviewer:** Margaret B. Harrison

### **Reviewer's report:**

Reviewers Report to Revised Manuscript

Thank you for the opportunity to respond to this revised systematic review manuscript focused on informational continuity in primary care between physicians and patients/caregivers.

The authors have responded to all the compulsory revisions requested as well as response to minor revisions suggested by reviewers. The focus and conceptualization are clearer, the review methods strengthened making this paper an important addition to the field.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

### **Declaration of competing interests:**

I have no competing interests.
