

Reviewer's report

Title: A study of HIV/AIDS related knowledge, attitude and behaviors among female sex workers in Shanghai China

Version: 3 **Date:** 3 May 2010

Reviewer: Juan Pablo Gutierrez

Reviewer's report:

Most of my previous comments have been addressed in this version.

Minor Essential Revisions

In table 1 there are a couple of p-values greater than 1; I assume that's a typo, but need to be checked.

Also, I think it is important to have a reference on the ICC value used.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
